

The Time I Met Preston Playz

Finally the day had come; it was the day before my birthday. I was to meet one of my beloved YouTubers, PrestonPlayz, at Main Event in Fort Worth, Texas.

Prestonplayz plays Minecraft, does question and answers, and knee slapping challenges that I love. He has 5.5 million subscribers on YouTube. Most of his videos are him and his sidekick, Shotgun, playing bedwars, TNT wars, and money wars all in Minecraft of course. I've seen all of his videos dated back to one year ago...twice.

I was in line with my sisters. I could almost see him. I felt I was going to have a heart attack!!! I was panicky and delighted. Then, the next thing I knew I was next in line. I don't know how to explain it, it was crazy.

Snap goes the camera. I was speaking and standing next to a big YouTuber. He signed my shirt, Preston smiley face :). Then it was over; it had flashed by before I could think. I have a photo and that's one of reasons it brings back memories.
