Northwest ISD eBid System

Registration

Vendors wishing to do business with NISD are encouraged to register online using the NISD eBid system. Registering your firm allow the Purchasing Department to process and catalog information about your firm and the goods and services you are able to provide to NISD. Generally, vendors will then be notified when NISD requires those types of goods and services. There is no charge to register.
Notification of Opportunities
Registered vendors will automatically receive email notifications whenever Request for Bids, Proposals, Qualifications, or Quotations are issued by the district for goods and services they provide. Vendors can then access the solicitation through the system as well.

Online Bidding
Vendors’ interest in responding to the solicitation and bidding can then submit a bid online by simply going online through the system and providing the required pricing and other information. The NISD Purchasing Department is eliminating paper bids.

Note: Registering your organization is only the beginning of successfully selling your products and services to the district.

All notifications of bid opportunities will be sent to the email address supplied by you. In the event of a change in your firm’s email address, contact person, address, phone, etc. it is important to also change it online in the electronic purchasing system. Otherwise, your firm will never receive notifications and the opportunity for bid submittal may be lost. We also encourage you to include more than one company “user” when you register. This will ensure that at least one person in your firm receives notification.

Assistance
Questions on the system or help on using the system may be directed to the Purchasing Department at 817-215-0092. Answers to your questions are available during any day of the workweek.

Solicitations / Bids / RFP
Northwest ISD utilized the following solicitation and purchase methods in order to provide the “best value” for the District: Requests for Proposals, Requests for Bids, Competitive Sealed Proposals, exiting State and local contracts, Design Build contracts, contracts using a Construction Manager, and Job Order contracts for minor construction, repairs or alterations.

Education Purchasing Cooperative of North Texas (EPCNT)
Northwest ISD is a member of the organization of North Texas School Districts (ESC Regions 10 and 11). The purpose of EPCNT is to support and provide information and services to the purchasing departments within districts.
