District Sets Dates for Kindergarten Round-Up

Children who will attend kindergarten this August are asked to register online beginning April 21. To register, kindergarten students must be five by September 1, 2014. Kindergarten Round-Up is scheduled for April 28-May 2. Parents and students are encouraged to attend this event to meet staff, tour the facility and provide the necessary documents needed to complete the registration process. Please bring the following items in order to complete your child's enrollment:

- Birth certificate
- Immunization records (immunizations must be up-to-date to attend school)
- Proof of residency (housing contract, rental agreement, utility bill etc.)
- Student's social security card
- License or other suitable photo ID of the parent/guardian.

If parents do not have access to a computer at home, computers will be available at the campus during this time.

Enrollment Online Begins April 21 for New Students

Beginning April 21, Enrollment Online will be available for students new to Northwest ISD. This includes incoming kindergarten students. Kindergarten Round-Up is April 28-May 2. In order to access the online registration feature, parents of students currently enrolled in the district must have a Home Access Center (HAC) account. Access to the HAC requires an internet connection and a confidential username and password issued to the parent by the school. If you are unsure of your HAC login, you may contact your child's campus. Parents of returning students can begin the registration process on July 14.

Enrollment Online is available for use on a laptop or desktop computer using Internet Explorer. Please make sure compatibility mode is enabled. Campuses will have computers available for use for households without Internet. Beginning April 28, an Enrollment Online help desk will be set up at the NISD Administration Building (2001 Texan Drive, Justin, 76247) from the hours of 8-5.

Please note, a child should be enrolled by a parent, guardian or a person with control under a court order. If someone other than a parent, guardian or person with control under a court order is listed on enrollment forms, a Power of Attorney form must be notarized, signed and returned. A Power of Attorney is a written document in which the student's parent/guardian authorizes a third party to make decisions for the student on behalf of the parent/guardian.
