Access to the HAC requires an internet connection and a confidential username and password issued to the parent by the school. If you are unsure of your HAC login, you may contact your child's campus. Parents of returning students can begin the registration process on July 14.

Enrollment Online is available for use on a laptop or desktop computer using Internet Explorer. Please make sure compatibility mode is enabled. Campuses will have computers available for use for households without Internet. An Enrollment Online help desk is set up at the NISD Administration Building (2001 Texan Drive, Justin, 76247) from the hours of 8-5.
