Enrollment Online Begins April 20 for 2015-2016 New Students

Beginning April 20, Enrollment Online will be available for students new to Northwest ISD. This includes incoming kindergarten students. Kindergarten Round-Up is May 4-8. In order to access the online registration feature, parents of students currently enrolled in the district must have a Home Access Center (HAC) account. Access to the HAC requires an internet connection and a confidential username and password issued to the parent by the school. If you are unsure of your HAC login, you may contact your child's campus. Parents of returning students can begin the registration process on July 13.

Enrollment Online is available for use on a laptop or desktop computer using Internet Explorer. It will work on all browsers. Compatibility mode is not required. Pop-up blockers must be disabled. The device works best on a desktop or laptop computer. Campuses will have computers available for use for households without Internet, or parents/guardians may use their local library. Beginning April 20, an Enrollment Online help desk (817-698-1099) will be set up at the NISD Administration Building (2001 Texan Drive, Justin, 76247) from the hours of 8-5. Please feel free to call your campus as well if you need assistance.

Please note, a child should be enrolled by a parent, guardian or a person with control under a court order. If someone other than a parent, guardian or person with control under a court order is listed on enrollment forms, a Power of Attorney form must be notarized, signed and returned. A Power of Attorney is a written document in which the student's parent/guardian authorizes a third party to make decisions for the student on behalf of the parent/guardian.
